

Booking Terms

In order for things to run as smoothly as possible, we have found it is useful to mention the following points before we confirm a booking.

1. Your date is not secured until your deposit is received.
2. Full payment must be made at least **five days before** the event.
3. On-site parking and easy access to the venue is **essential to ensure a safe load in/out**. If the room is not on the ground floor, there must be access to a lift for Health & Safety reasons due to the weight of some of the equipment (i.e. disabled access standard).
4. An **absolute minimum of 90 minutes** is required by the band for load in and soundcheck. Standard arrival time is 5pm to be set up for 7:30pm. Please inform the band as soon as possible if this is not convenient as an earlier arrival time may incur an extra cost. The band will work with the client to make times convenient for both parties.
5. A performance area of around **4m x 6m** will be required with access to **at least four 13 amp domestic power points**.
6. Please inform the band if a **decibel meter** is fitted at your chosen venue. It may be that the band **cannot perform** due to a low meter threshold setting. The band cannot be responsible if this is not considered prior to booking. Should a dB meter mean the band cannot perform at the last minute, all payments made to the band will be forfeited.
7. Public Liability and PAT test Certificates are available if requested by your venue.
8. The band's performance/s will take place between **8pm and 11:30pm**
9. The band politely request refreshments and food at some point during the evening.
10. If you are using a DJ, please let the band know beforehand and also please let the DJ know there will be a band playing.
11. **The "stage" area is for the band only. Under no circumstances must any "on stage equipment" be touched by anyone but the band or PA team. The cost of repairs to any damaged equipment may be charged to you. Guests are not permitted to enter this area unless asked to by the band (i.e. during the performance) or by previous agreement. PLEASE ENSURE YOUR GUESTS APPRECIATE THIS.**

Important:- Please ensure these points are agreeable with you before confirming your booking. The band reserves the right to cancel the performance at any stage if these essential terms are not met. The band will not compromise the success of your event or their reputation.

Please Note:- It is important that these points are read and understood, especially load in times and the size of the performance in order to allow the band to do what they need to do and provide you with the quality of entertainment you would expect.
